

So you're coming to the Dominican Republic! Super! We can't wait to see you!

One thing you **MUST** do before you can board the airplane is to complete an E-TICKET application. This can be completed up to 72 hours before your flight.

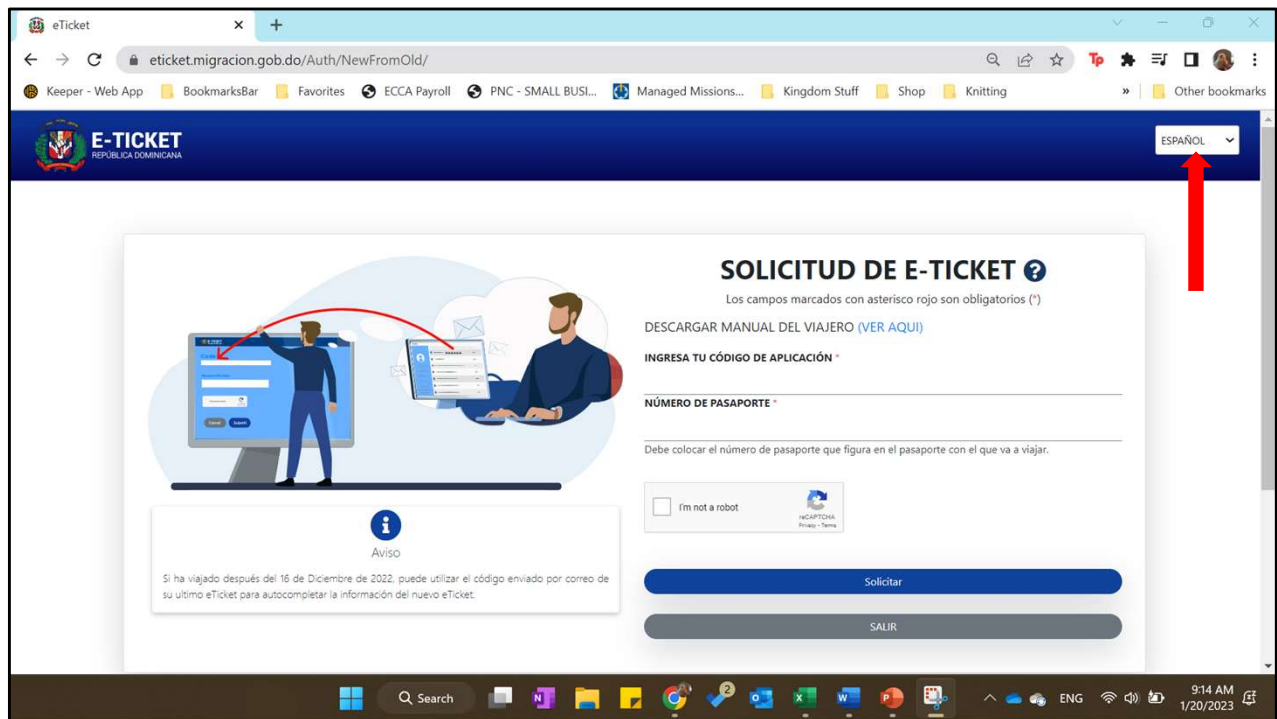

Step 1: Go to <https://eticket.migracion.gob.do/>

Step 2: Choose English in the top right-hand corner

Step 3: Click E Ticket Application if you are beginning a new application.

This box will pop up. (Note that it might be in Spanish – don't panic) **CLICK** the **BLUE** button if you are starting a new E-Ticket application for entrance into the Dominican Republic. **CLICK** the **ORANGE** button only if you already have an E-Ticket made for your entry into the country and want to make your E-Ticket for your departure.

NOTE: If at anytime the following screens appear in Spanish, remember that you can change it back to English by clicking the dropdown button in the top right-hand corner and choosing “English”

The screenshot shows a web browser window with the URL `eticket.migracion.gob.do/Auth/TravelRegister/`. The page header includes the "E-TICKET" logo and a language dropdown set to "ENGLISH". The main content area is titled "E-TICKET APPLICATION" with a help icon. It contains a "TERMS AND CONDITION" section with a green checkmark and an "AGREED" button. Below this is a "Notice" box stating: "Make sure to enter the passport number and nationality the same as it appears in your passport with which you are going to travel". The application form includes a question "ARE YOU TRAVELING WITH SOMEONE ELSE?" with a "NO" button. Below the question is a checkbox labeled "I'm not a robot" and a CAPTCHA image. At the bottom of the form are "SUBMIT" and "CANCEL" buttons. The browser's taskbar at the bottom shows various application icons and the system clock indicating 9:22 AM on 1/20/2023.

If you are applying for an E-Ticket for entry into the Dominican Republic, you will see this screen next. Answer the question about whether you are traveling with someone else “YES” ONLY if you are traveling with another family member and want to process your E-Tickets together. Otherwise, leave the answer as “NO”.

CLICK the “I am not a robot” box and complete any picture verification tests that may or may not pop up.

You will now have the option of creating your exit E-ticket at this time. **PLEASE DO THIS NOW IF AT ALL POSSIBLE!** Our internet access is weak and spotty at best at the MGM center, and we cannot guarantee that you will be able to apply for and print your departure E-Ticket there.

Once you have completed the application, your E-tickets will pop up. **Please print these and bring them with you to the airport on the day of your flight.** You should also take a picture of the E-ticket but note that some airlines may not accept the photo as a valid copy of your E-ticket. Additionally, you can save this ticket as a .pdf file that can be uploaded to your airline portal if they provide this option.

Finally, to consult an existing E-ticket (one for which you already have an application code), go to this website: <https://eticket.migracion.gob.do/Auth/TravelLogin>
