

Dear \_\_\_\_\_,

I hope this letter finds you doing well and enjoying life. I am writing to let you know that I will be participating in a short term missions trip to the Dominican Republic this coming January. This mission's trip will involve working with Haitians in the sugar cane fields of the Dominican Republic. Their living conditions are among some of the poorest in the world and I am looking forward to working with construction teams, children's ministry, medical doctors, optical people, and dentist as they seek to bring help to those in tremendous need. It has been a desire of mine for some time to participate in a trip such as this and now it is within sight.

I would like to ask two things of you if I may. First would consider praying for me as I launch out on this adventure. Please pray for safe travel, protection from any diseases I may come in contact with and that God would use this trip to draw me closer to Himself. Secondly would you prayerfully consider supporting my trip financially? The cost of the trip is \$990.00. Please do not feel under any pressure I know if this is God's will he will provide. If you would like to contribute any amount would be greatly appreciated.

Contributions are tax deductible and can be made out to MGM (Meeting God in Missions) and sent to me at \_\_\_\_\_. Thank you for taking the time to read this letter and your prayerful support.
